Pricelist & Products Information

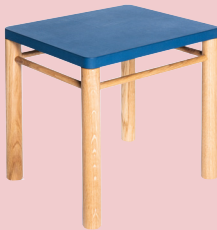

The Chair CLÉMENT

Market Price: EUR 199,-

Thanks to the thin bars and the light weight the child can develop his autonomy by carrying the chair „Clément“. With the natural materials such as felt and oak the child gathers sensorial experiences and feels the haptic differences. With 2 years, more specifically when your child can stand safely.

Dimensions: H 45 cm x W 30 cm x L 25 cm
Seat Height: 30 cm
Materials: Oak, Valchromat and felt (100% Wool)

The Stool FÉLIX

Market Price: EUR 179,-

Light and adjusted to the child's size, the stool „Félix“ can be easily carried by the little child's hands. This facilitates the child's autonomy. With 2 years, more specifically when your child can stand safely.

Dimensions: H 30 cm x W 30 cm x L 25 cm
Seat Height: 30 cm
Materials: Oak and Valchromat

The Table CAMILLE
